# ABOUT ASME STUDENT SECTION

*ASME helps the global engineering community to develop solutions to the real-world challenges. Founded in 1880 as American Society of Mechanical Engineers. ASME is an non profit professional organization that enables collaboration, Knowledge sharing and skill development across al engineering disciplines, while promoting the vital role of the engineer in society. ASME codes and standards, Publications, Conferences, Continuing education and professional development and programs provide a foundation for advancing technical knowledge and safer world. In 2020, ASME formed the International Society of Interdisciplinary Engineers (ISIE) LLC, a new for-profit subsidiary to house business ventures that will new and Innovative products, Services and Technologies to the engineering Community*

---

## ACKNOWLEDGEMENT

*Behind every achievement lies an unfathomable sea of gratitude to those who actuated it, Without them it would never have into existence. To them we lay the word of gratitude imprinted within us. We would like to express our gratitude to the SNR management Trust and the Principal Dr. M Paulraj, for giving us access to all necessary technological resources, and also we would like to express our gratitude to Dr. B Chokkalingam HOD/Mech for his continuous guidance and Encouragement. Special Thanks to Mr. R Immanual AP/Mech for initiating ASME-SRIT Student section to our College. We Sincerely thank all the teaching and Non-Teaching Staff of Every Department for the all way for their Enquiry about the ASME-SRIT Student Section.*

# OUR BELOVED FACULTY MEMBERS

V

# BEST HOME IN TOWN

DATE:23.04.2023

DAY: SUNDAY

## ABOUT THE EVENT:

- Our Faculty Advisor have a wonderful habit whenever we achieve something he takes us to the old age home and make us to serve food for the beautiful kind hearted peoples.
- This Makes us feel Something special this was the wonderful lesson taught by him.
- We visited the old age home we enjoyed each other and we talked a lot, we have learned some valuable lessons thus it was a Good Experience.
- And we got blessings , it makes us feel very good.

## MOMENTS OF VISIT:

# ENTREPRENEURIAL FUNDING OPPORTUNITIES FOR DRONE TECH STARTUPS/ASPIRANTS

DATE:13.09.2022

DAY: TUESDAY

## ABOUT THE EVENT :

- Organized a workshop in seminar Hall.
- A total of 25 students from our institution were attended the Workshop.
- Hema Varshini given the introduction and the welcome speech.
- Shanmuga Priya Sang the prayer song.
- Sakthi Prasanth had given the guest address and hod address.
- Mr. R. Immanuel sir given his words.
- Mr.Arunkumar Ramamurthy, executive, AIIRF-EDII, Annamalai University had deliver his speech about "Entrepreneurial funding opportunities for drone tech Startups/aspirants".
- After Mr .R. Immanuel take the class of drone .
- Hema Varshini Given the Vote of Thanks.
- The session will ended Successfully.

DATE:11.10.2022

DAY:THURSDAY

## DAY 1:

### ABOUT THE EVENT:

The main objective is to create a bat for each side, and then the team members must play a cricket match using that manufactured bat. This sums up what happened.

- Students from SRIT registered for the CBDC event,
- Organized a workshop in the manufacturing lab,
- Dhanush Karthik J had given the introduction and welcome speech,
- Dr. B Chokkalingam HOD sir gave the guest speech and published the rulebook to teams,
- Dhanush Prabhakar had given his vote of thanks,
- Immanuel sir had verified the rulebook,
- Then Dr. B Chokkalingam conducted the hands-on workshop on molding, casting, and bat manufacturing to the students
- Day 1 ended successfully

### WORKSHOP PHOTOS:

## BROUCHER:

### About the Institution

SRIT is one among the most eminent Educational Institutions in Coimbatore district. SRIT is recognized as one of the leaders in engineering education, research and application of knowledge to the betterment of the society and the country. The college has a position in the engineering education by delivering graduates to the industry and the society. Since its inception in the year 2002, the Institution has been continuously motivated to make a permanent mark in the education field by creating technocrats sound in Academics and Value system. SRIT contributes to the higher education scenario in India by offering 5 under graduate programmes and 3 post graduate programmes in Engineering and Technology. Many research papers are published consistently in various refereed international and National Journals by our faculties.

### About the Department

The Department of Mechanical Engineering was established in the academic year 2005-2006 which enrolled 60 students. An additional intake of 60 (total 120 students) was sanctioned in the academic year 2013-2014. The department is accredited by NBA from the July 2014 onwards and is headed by Dr.B. Chokkalingam who has the vast experience in industry and academics. Among the faculty members, four members of the faculty have obtained their Ph.D. The staff have published papers in their research domains and one faculty member is recognized as supervisor to guide doctoral candidates in Anna University. The department has full-fledged and well-established laboratory facilities and all the instruments used in every laboratory are being calibrated for usage. Internet facility has been enabled in many computers for the faculty to effectively search for useful study materials. Wi-Fi connection has been enabled for them to use their personal computers for research purposes.

### About ASME-SRIT

The Department of Mechanical Engineering launched ASME-SRIT Student section in the year of 2021 which enrolled around 45 student members and 3 faculty members. Also achieved in E fest conducted by ASME global section. The members have organized various webinars and events among Institution level.

# *ASME-SRIT STUDENT SELFIE-CONTEST*

DATE: 12.10.2022

DAY: WEDNESDAY

## **DAY 2:**

### **ABOUT THE EVENT:**

- The event started at 10 am
- The chief guest of the event was Dr. C.R Hema professor and head of the electrical and electronics department
- MC was done by S Hema Varshini from the CSE department III year
- Prayer song was sung by Shanmuga Priya of CSE department III year
- Dhanush Karthik J from the mechanical department gave the welcome speech
- R Immanuel professor of the mechanical department gave a brief introduction about the event and explained about the selfie contest
- Firstly  
Dr. C.R. Hema successfully started off the occasion with the presidential address secondly the ribbon-cutting for the bat finally, she picked up the match fixers slot
- The first slot fixers match was between SHARKS vs BLACK PEARLS, and black pearl won the first match from the best of two.
- The second slot fixers were taken by Dr. Benson Mansingh of ECE department between HAWKS vs ANIL AMAI WARRIORS, team hawks won the match from best of two.
- The afternoon match was again between SHARKS and BLACK PEARLS. In that team sharks won the match with the highest run rate, so they directly got selected for the finals
- On October 12, 2022 a selfie contest organized by ASME was held.
- Mr. R Immanuel, an assistant professor at Sri Ramakrishna Institute of Technology, served as the faculty coordinator.
- The team's pictures were gathered and uploaded on the ASME LinkedIn page. This award will go to the team that receives the most likes and comments. This award will go to the team that receives the most likes and comments.
- Day 2 of the event ended successfully.

## STARTING DAY EVENT PHOTOS:

## MATCH DAY PHOTOS:

## SELFIES OF THE TEAM:

## WINNERS OF THIS CONTEST:

❖ 1<sup>st</sup> Award: Team sharks

## DAY 3

### ABOUT THE EVENT:

- The early match pitted HAWKS against ANIL AMAI WARRIORS. The Hawks won the game and advanced to the finals in that team.
- Following another break, ANIL AMAI and BLACK PEARLS squared off in the third runner-up match. In this case, Team Black Pearls won the game and took home the third runners-up trophy.
- The afternoon's final match between the Sharks and the Hawks was won by TEAM SHARKS.
- The evening was concluded by a friendly cricket match between the SRIT Staff team and the ASME Members team.
- Finally, the chief guests of the day, Dr. B. Chokkalingam, professor and head of mechanical engineering, and Dr. Suresh Kumar, professor and head of information technology, presented the awards.
- Day 3 ended successfully

### EVENT PHOTOS :

### OVERALL PERFORMANCE IN CBDC EVENT:

- CBDC event was conducted from Oct 11<sup>th</sup> to Oct 13<sup>th</sup>.
- Students and faculty members of the ASME SRIT STUDENT SECTION have coordinated the event perfectly.
- Team **SHARKS** was winner of the match and Team **HAWKS** was runner of the match
- RAJKUMAR from Team **SHARKS** was the man of the series,
- Last but not least the winners of the selfie contest were Team **SHARKS**,
- The event ended peacefully.

# NATIONAL LEVEL WORKSHOP ON 3D PRINTING

DATE : 27.01.2023  
DAY : FRIDAY

## ABOUT THE EVENT:

- The events start at 10.00 am.
- Organized a workshop in seminar Hall.
- A total of 25 students from other institution were attended the Workshop.
- Hema Varshini given the introduction and the welcome speech.
- Mr.R.Immanuel takes the class about the 3D Printing.
- Sakthi Prashanth shows the working of 3D Printer.
- The participation certificate were distributed to the participants.
- The workshop ends at 4.30 Pm.

# ENERGY CONSERVATION AWARENESS WORKSHOP

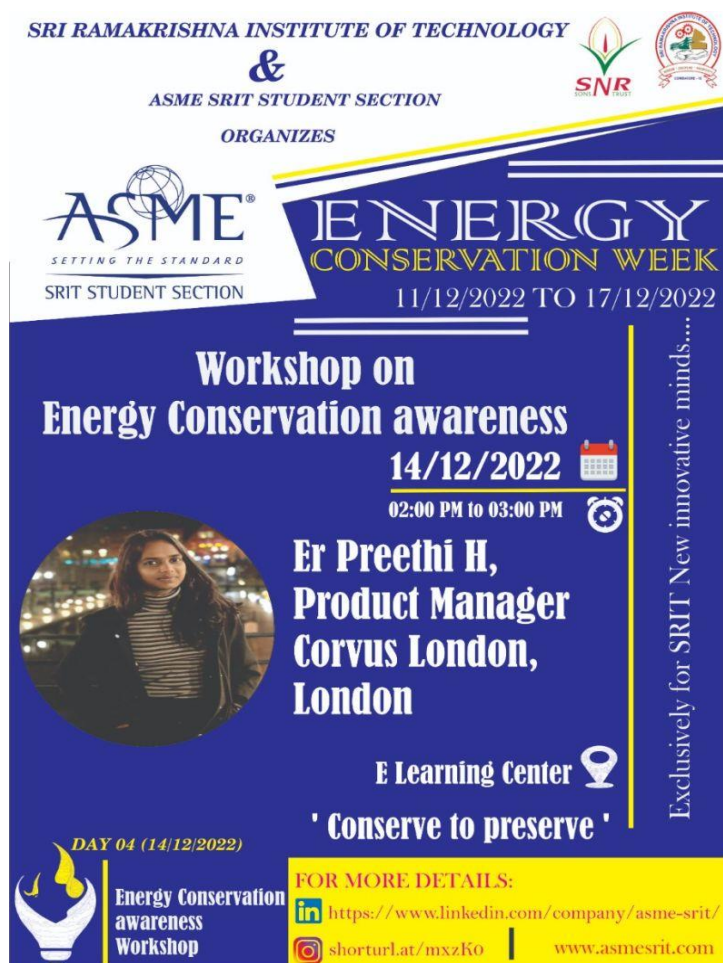

DATE:14.12.2022

DAY:WEDNESDAY

## ABOUT THE EVENT:

- Organized the workshop in the E Learning Center.
- A total of 25 students from our institution were attended the Workshop.
- Hema Varshini given the introduction speech.
- Mr. R. Immanual gives the guest address.
- Er Preethi H, Production Manager, Corvus London had delivered her speech on Energy conservation awareness.
- Sakthi Prashanth given the vote of thanks.
- The event ended successfully.

## BROUCHER:

The brochure is for an ASME SRIT Student Section Energy Conservation Week Workshop. It features the ASME logo with the tagline 'SETTING THE STANDARD' and 'SRIT STUDENT SECTION'. The event is titled 'ENERGY CONSERVATION WEEK' and runs from 11/12/2022 to 17/12/2022. The specific workshop is on 'Energy Conservation awareness' on 14/12/2022, from 02:00 PM to 03:00 PM, held at the 'E Learning Center'. The guest speaker is 'Er Preethi H, Product Manager, Corvus London, London'. The theme is 'Conserve to preserve'. The brochure also mentions 'DAY 04 (14/12/2022)' and 'Energy Conservation awareness Workshop'. Logos for Sri Ramakrishna Institute of Technology (SRIT) and SNR are present. A vertical text on the right side reads 'Exclusively for SRIT New innovative minds...'. At the bottom, it provides contact information for more details, including a LinkedIn link, a short URL, and the website www.asmesrit.com.

# ACHIEVEMENTS

## ASME E FEST

DATE:25.03.2023

DAY :Friday

### ABOUT THE E-FEST:

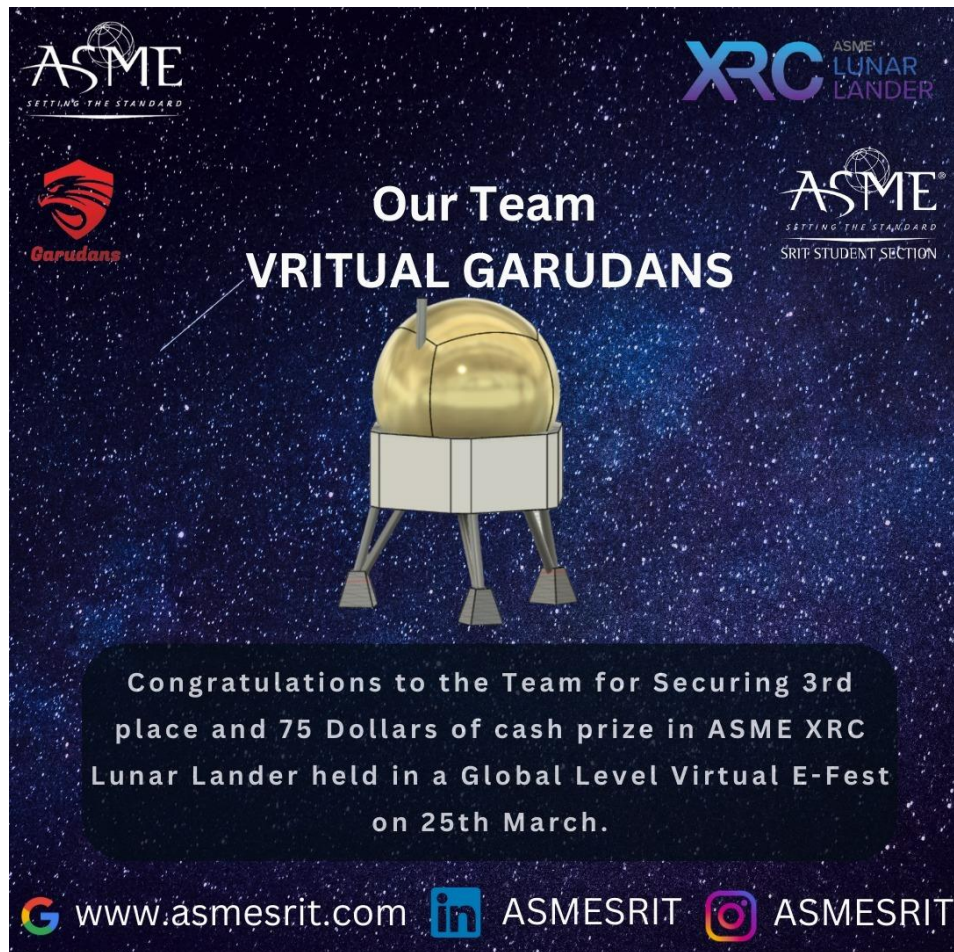

- ASME E-FEST was conducted on November 12<sup>th</sup> and March 25<sup>th</sup>
- ASME Engineering Festivals® (or E-Fests) are WAY more than just a series of events.
- They're a movement driven by engineering students and early-career engineers, that has gained force *globally*.
- They invite us to join thousands of students and young engineers from around world to ignite innovation, build our resume, meet with potential employers, participate in stimulating competitions, jumpstart your career and most importantly, celebrate engineering!

Brought to you by ASME Engineering Festivals™.

## OVERALL PERFORMANCE IN ASME E-Fest:

- ASME E-FEST was conducted on November 12<sup>th</sup> and March 25<sup>th</sup>.
- Members of ASME SRIT STUDENT SECTION attended various sessions.
- Digital Scavenger Hunt was conducted and gifts cards worth Rs.1150 and Rs. 1190 was received by the members.
- Our team virtual Garudans participated in **XRC LUNAR LANDER** securing 3<sup>rd</sup> places won 75 Dollars of cash prize.

# I AM 3D

- Hovercraft design based upon the rules formulated by ASME .
- In this Event two teams have participated from our college.
- The teams were Garudans (Sakthi Prashanth V K , Dhanush karthik .J) and 3D Garudans (Danush prabhakaran III year Mech, Hariharan M III year Mech) .
- The team **GARUDANS** (Sakthi Prashanth V K III year Mech and Dhanush karthik II year Mech) have got the 1st prize and **won Rs. 8000/-** cash prize.

# Our Team GARUDANS

Sakthi Prashanth V.K  
III Mech

Dhanush Karthik . J  
II Mech

**Congratulations to the team for securing 1st Place and  
8000/- Cash prize in IAM 3D Design Presentation  
Challenge at Efx Aero held at Ramaiah Institute of  
Technology, Bangalore**
